3rd SATURDAY OF EACH MONTH

Registration opens at 0830; run starts at 0915

Details from ww.skoolrun.events

The 5Kool Run

A Tavistock Athletic Club Production

The 5K (3.1 miles) Course

Registration, Start & Finish

On the track at Tavistock College.

Start

Complete 325 metres of the track before exiting when you take a sharp right turn onto the path which circles the College.

1k

On the footpath circling the College. Continue around and enter The Meadows via the underpass. Take a sharp left to come on to the Canal footpath.

2k

The 2k point is on the Canal path opposite the tennis courts as you approach Meadowlands. At Meadowlands take a sharp right along the path which passes the Bandstand. Take a sharp left on to the riverside path. Continue past Meadowlands to the turning point at the arch, returning along the riverside path all the way towards the exit on Plymouth Road. Staying in The Meadows and just before the exit take a sharp right.

3k

The 3k point is just before you turn to go back through the underpass. You will now retrace your steps along the path which circles Tavistock College.

4k

The 4k point is just after you have turned on to the path which runs parallel to Crowndale Road. Continue your return journey and re-enter the track. You have about 500 meters to go as you enter the track head past the start/finish line and complete a full lap of the track.

5k

Your 5k is complete as you cross the line where you started. Congratulations!

A Tavistock Athletic Club Production

Event Information

1. This event is modelled on the increasingly popular Park Runs. However, there are some distinctive differences with our event.
2. The start/finish location on the track is certainly a good one but to eek out a 5k traffic free course we are using footpaths which have some sharp deviations as well as some potential pinch points. So far, we have had no issues and the course appears to be popular.
3. But remember, these are public footpaths so we must be conscious of pedestrians and other footpath users.
4. The event is open to anyone, whatever their level of ability although the minimum age is 11 years old. Under 11s can run but they must be accompanied around the course by a responsible adult.
5. Registration will take place at 0900. We aim to start the run at 0915.
6. By visiting the website you will be able to pre-enter by supplying some basic information. We encourage you to do this as it will save time on the day.
7. Entry will cost £2. Members of clubs which are affiliated to UK Athletics will only pay £1 to enter (new rule from August 2015).
8. Results, which include age graded performances, are published on our event website: www.skoolrun.events.
9. Contact the event organisers at admin@skoolrun.events or by phone on 07800635440.
